School Rules

At NZLC we want you, your classmates and your teachers to have an enjoyable and productive learning experience. This is why we have a few simple rules for you to follow in the classroom and around the school:

1. **Attend** all your classes
2. Speak **English** as much as possible
3. Come to your classes **on time**. Students who are more than 15 minutes late must wait until the next break before entering the class
4. Do not leave any **valuable items** around the school
5. Put your **rubbish** into the bins provided and help keep the school **clean**
6. **No smoking or drinking alcohol** in the building (including toilets, fire exits, lifts, and foyer)

7. Be **polite** and respectful at all times to your classmates, teacher and other NZLC students and staff
8. Do not **sleep** during your lesson
9. Do not use **your phone** in class, unless it relates to the lesson
10. Do not eat near **computer areas** and keep caps on bottles
11. **Inform** the school when you have a new address, phone number, visa or insurance cover
12. Do not **transfer** or **sell** your course weeks to another student / person

In your classroom, you will also find a copy of the above class rules that we expect you to follow in the class and around the school. If you have any doubts, or the behaviour of a classmate is upsetting you, please talk to your teacher.

Attendance Policy

All students are expected to attend 100% of their course. Attendance is marked per session and collated at the end of each week.

Young Learners

Any missed classes will be followed up immediately and the NZLC Disciplinary Process will be initiated where appropriate.

Adult Students (18+ years)

1. Please call NZLC reception or email the school before 9am if you are going to be absent from class.
2. If your current attendance falls below 90%, your teacher will give you a **Category 1 Attendance Letter**, which will also be sent to your email. You will be asked to acknowledge your responsibility to improve your current attendance rate. *Current attendance* is the attendance rate from the start of the course up until the end of the current week.
3. If your current attendance falls below 85%, your teacher will give you a **Category 2 Attendance Letter**, which will also be sent to your email. You will be asked to explain your absences or provide medical certificates.
4. If your current attendance falls below 80%, you will receive a **Category 3 Attendance Letter**. You will be reminded about your previous acknowledgement of your responsibility to improve your current attendance. Your attendance will continue to be monitored until we are satisfied there is improvement.
5. If there is still no improvement, you will be sent a **final warning letter** explaining what will happen if your overall attendance drops below 80%. *Overall attendance* is the final rate of attendance that will be reached if you have no further absences from the previous Friday until the end of your course. If you have an education consultant, they will be notified about the final warning.
6. Students must meet the English New Zealand minimum attendance requirement of 80%. If a student's overall attendance falls below 80%, a **termination of enrolment** may result. If you wish to dispute the termination, you may be required to have a meeting with management to explain why your enrolment should not be terminated. NZLC management will then consider your explanation before coming to a final decision.
7. Where the English New Zealand minimum attendance of 80% has not been achieved, both the attendance % and the non-compliance statement will be clearly shown on your leaving certificate.
8. If your enrolment is terminated, you will be asked to finish your course immediately without entitlement to a refund. NZLC is obliged to report all student visa holders to Immigration New Zealand about the course withdrawal and your visa may be cancelled. Similarly, NZLC will notify your education consultant of the decision.
9. You can check your attendance while studying at NZLC. Please see NZLC Student Service staff.
10. If you require an official NZLC Attendance Certificate, please see NZLC Student Services staff.

If there is some reason why you cannot follow the above outlined school rules and attendance rules, please talk to the Student Services team. It is important to note that NZLC staff will do their best to support you and avoid the below steps in the Disciplinary and Termination Process from escalating where possible. However, in very extreme cases, the below procedure may be escalated more quickly.

Disciplinary & Termination Process

If students fail to meet the obligations under this agreement, NZLC will either give a verbal warning or a warning letter explaining what is wrong, what needs to be done and when it must be done by. If students do not comply with the warning, this agreement may be terminated immediately. NZLC reserves the right to terminate this agreement at their sole discretion if a student's conduct, behaviour or attendance is deemed unsatisfactory. If the student's enrolment is terminated, they will be asked to leave immediately, without

entitlement to a refund or deferral. In addition, NZLC will report the termination to Immigration New Zealand where applicable. NZLC will also notify the student's education consultant/parent of the decision.

Extending your Course

To extend your course, you must complete the below procedure **2 weeks** prior to your original finishing date. If you need to extend your visa, you will need to start the process **at least 8 weeks** prior to your original finishing date. Please note, the course extension will be subject to availability.

<https://nzlc.ac.nz/downloads/>

Adults Students (18+ years): You can take 2 weeks of holiday per every 12 weeks of full-time study. To request a holiday, complete a **Holiday Application Form** and hand it to Student Services **4 weeks** before you want to take your holiday. If you do not inform NZLC 4 weeks in advance, you may not be given credit towards your course. If you are going to be away from your homestay, please talk to the Accommodation Department. They will contact the host family to inform them of your plans. If you are going to be away for 7 nights or longer, 50% of the usual homestay rate and 2 weeks' written notice is required to hold the homestay room.

Health and Safety Procedures at NZLC

The school always tries to guarantee your safety while in the school. Here are some practical guidelines:

If there is a fire/emergency evacuation: There is a staff member assigned to each floor who will direct evacuation in the unlikely event of a fire or other natural disaster. In your classroom, you will also find information on emergency exits and how to react in the case of an earthquake.

To ensure quick evacuations, the school holds “practice” evacuations. During these evacuations, please follow the staff member’s instructions quickly and calmly:

In your classroom, you can find a copy of the school map with the fire exits mapped out.

When you hear the alarm siren, make your way to the nearest emergency exit.

1. DO NOT use the elevators in an evacuation.
2. Use the internal stairwell. DO NOT bring your belongings with you.
3. DO NOT stand in front of the entrance – move onto the footpaths in front of the buildings.
4. DO NOT carry drinks and large items with you down the stairs.

School Hazards

If you notice any kind of hazard around the school, (e.g. a broken window, loose door etc.), please let your teacher or another staff member know immediately.

Health and Wellbeing

Please remember you can talk to Student Services about any of the below or any other issues and we will be happy to help.

Pharmacy

For minor health problems, you can visit the pharmacy and ask the pharmacist to recommend some medicine for you. Visit Student Services if you are not sure where the closest pharmacy is.

Doctor

If you need a doctor and you don’t know one, please come to Student Services. We know good doctors who can help, and some of them can speak your language. If it is outside school hours and you would like to see a doctor, you can find your closest doctor on this website and book an appointment: www.healthpoint.co.nz

After-hours Accident and Emergency

Auckland Hospital Emergency Department is open 24 hours.

If you are very sick or get injured outside business hours, you can **visit your nearest A&E** (Accident and Emergency Centre). You can find your nearest A&E centre by Googling “A&E.” Remember to call your insurance provider before you visit, otherwise your medical fee may not be fully covered.

Relationships and Family Planning

Many students start relationships in New Zealand. If you need advice about family planning or want to avoid pregnancy, contact the Family Planning Association. They are very helpful and have contacts with overseas communities who can help with translation if you need it. www.familyplanning.org.nz

Emergency

The emergency phone number for an ambulance, fire truck and the police in NZ is 111.

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment.

Full details on entitlements to publicly-funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Accident Insurance (ACC)

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand. If you go to the doctor for an accident-related injury, you must let the doctor or reception know and this way, it may cost less. Please note that coverage is not guaranteed and if you have an accident, you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz.

International Student Travel and Medical Insurance

All international students studying in New Zealand must have current medical & travel insurance for the duration of their stay that meet the requirements set out in the NZQA Code of Practice for International Students.

If you want to make an insurance claim on your NZLC-arranged insurance, talk to Student Services and we will help you complete the process. If you arranged your own insurance, contact your insurance company directly to find out how to make a claim.

Safety in New Zealand

Road Safety

Cars drive on the left hand side of the road - be careful when you cross roads! Do not step out suddenly onto busy roads and look for traffic lights or pedestrian crossings ("zebra crossings") where you can cross safely.

Sun Safety

New Zealand's sun is very strong. When you're outside, remember to use sunscreen and wear a hat. This is even true for sunny days during winter.

Water Safety

New Zealand is an island surrounded by beautiful beaches, but the currents can be very strong. Be very careful in the water. If you are swimming at the beach, swim between the red and yellow flags and do not go past your head. Always listen to safety instructions when you are on a boat, kayak etc.

Personal Belongings

Don't carry a lot of cash around with you as there is a danger of it being taken from you. Look after your bag and personal belongings at all times. Don't leave them behind in the classrooms.

Bullying / Discrimination / Harassment

In New Zealand, it is illegal to harass other people. If anyone harasses or bullies you, please contact one of NZLC's Student Service staff or any member of NZLC staff immediately.

Stranger Danger

A stranger is a person that you do not know. Be careful around strangers and stay aware of your surroundings. NEVER GET INTO A CAR OR GO SOMEWHERE ALONE WITH A STRANGER even if the person looks friendly. If you have to walk late at night, walk with a friend. Ask a staff member or your homestay family about areas of the city that are not so good to walk through at night.

Earthquakes and Natural Disasters

Due to New Zealand's location and environment, earthquakes and other natural disasters are possible. This website has some good tips on how to prepare and react during the unfortunate event of a natural disaster: www.getthru.govt.nz

Living in New Zealand: General Information

Immigration and Visas

When you arrive in New Zealand, you should already have your Visitor/Student/Working Holiday visa. If you need help to extend your visa while you're here, please ask our Student Services team. It can take 8 weeks to process a visa, so make sure you start the application ahead of time.

Full details of visa and permit requirements and advice on rights to employment in New Zealand while studying are available through Immigration New Zealand: www.immigration.govt.nz

Banking

If you're staying in New Zealand for 6 months or more, you can open a bank account. Most savings accounts come with a plastic "cash card" which you can use to access automatic teller machines (ATMs) 24 hours a day to withdraw and deposit money. All the major banks are located close to NZLC: ANZ, ASB, BNZ and Kiwibank. To open a bank account you will need your passport, proof of address in New Zealand (NZLC can help you with this) and your Taxpayer Identification Number (TIN) from your country. A TIN can have a different name in other countries, e.g. social security number or national ID number.

Drinking

You must be 18 years old to buy alcohol in New Zealand. You must also be able to prove your age with acceptable photo I.D. This means your passport, New Zealand Driver's License, or a Kiwi Access Card (formerly the "18+ card"). Applications for the Kiwi Access card are available at NZLC reception. Photocopied documents and international driver licenses are not accepted at restaurants or bars.

Driving

Driving in New Zealand might be very different from driving in your country. If you're going to get a driving license in New Zealand, please ask the staff for advice and books to help you. You can also have a look at the useful websites below. You must not drive without a valid driver's license.

Information for Visiting Drivers: www.nzta.govt.nz/safety/driving-safely/visiting-drivers

Drive Safe: www.drivesafe.org.nz

Hitchhiking

Hitchhiking can be dangerous and NZLC does not recommend it.

Phone Calls and Sim Cards

Public telephones around the city can be used with pre-paid phone cards or credit cards. They can also be used for emergency and free phone call numbers such as those starting with 0800 or 0508. NZLC has a 24/7 student line which can be called from anywhere in New Zealand toll free: 0508 156 156. If you want to make overseas calls, you can buy overseas discount cards from convenience stores, supermarkets or petrol stations.

You can purchase a sim card from 2 Degrees, Spark or Vodafone. Travel sim cards from these companies are available at the airport. It's a good idea to purchase a sim card on arrival so that you can have internet access right away. Prices range from \$30 to \$99 for 1 – 2 months depending on how much data you need.

Posting Mail

Posting mail in NZ is an easy process. You will be shown where the post office is on your first day during orientation. Talk to student services for more information. Note: we strongly advise that you do not use the school address as your postal address for valuable documents or postage. NZLC does not take any responsibility for looking after your mail.

Smoking

In New Zealand smoking in most public places is prohibited (including the school building). Smoking in all restaurants and bars is prohibited.

Working in New Zealand

If you have a Working Holiday Visa or a Student Visa with a work permit and you are planning to find a part-time job in NZ, we recommend that you come to our FREE weekly job workshops for tips on finding jobs, writing CVs going to interviews and employee rights. You will also need to apply for an IRD number, (tax number), before you start work in New Zealand. You can find IRD forms at reception or apply online. You can see more information about working in NZ on these websites: www.newzealandnow.govt.nz/work-in-nz and www.employment.govt.nz

Living in a Flat / Renting an Apartment

It's very common to live in a shared house with other students here in NZ. This is called a flat and the people you live with are flatmates.

There are advantages, (good things) and disadvantages, (bad things) about living in a flat:

Advantages:

- Independence
- Freedom
- Cheaper Rent – approximately \$180 - \$280 per week if you share the place with other flatmates and stay more than 6 months
- You can cook your own food
- You can meet and live with other people the same age and with the same interests

Things to keep in mind:

- It can be expensive to set up your own flat if you have to buy furniture, a fridge, washing machine and connecting electricity. (However, many flats are already furnished).
- If you go into an established/furnished flat, you may still need to buy a bed, drawers for your bedroom, pay a bond and rent in advance.
- When you move out of the flat, you should leave it in the same condition as you found it. The Landlord may keep some/all of your bond to cover costs if there are any damages made to the house. (Tip: it's a good idea to take photos of the place when you first move in and when you move out. That way you have evidence that there was no damage made to the property.)

Useful Vocabulary:

Flat: a shared house or rented apartment.

Rent: the money you pay to live in the house. This is usually paid weekly in New Zealand.

Flatmate: a person who shares the house with you. If someone else signs the tenancy agreement but lets you share the flat, you are a flatmate. Flatmates live in the property but are not part of the tenancy agreement.

Tenant: If you have signed a tenancy agreement with a Landlord, you're a tenant. This means you're legally responsible for the place. Tenants are responsible for all of the rent and any damage that occurs in the flat, whether by you or someone else renting a room in the flat.

Landlord: The person who owns the house or apartment.

Bond: Money paid as a deposit and returned when you leave the flat if nothing is broken or damaged.

Expenses/bills: The cost of power, water, internet etc. This can be a fixed or a varied amount around \$30 per week. (Sometimes the expenses are already included in the weekly rent).

Tenancy

Before signing or agreeing to anything, it's important that you understand your rights and responsibilities as a tenant. You can find some useful information here: www.tenancy.govt.nz.

Landlord Obligations

- The Landlord must tell you 24 hours before they want to visit. Visits should be rare (e.g. every 3 months).
- The Landlord must fix any problems with the house e.g. a problem with the shower.
- The Landlord must give your bond to the Tenancy Services within 23 days.

Where can I find a flat?

1. Talk to your classmates! You never know who might be looking for a flatmate
2. Check the NZLC Student noticeboards
3. Check the following website and Facebook groups
 - [Facebook groups: Flatmates Wanted in Auckland](#)
 - [Facebook groups: Flatmates wanted – Auckland](#)
 - www.trademe.co.nz/flatmates-wanted
 - www.nzflatmates.co.nz

Visiting the flat:

- If you are interested in a flat that you've seen advertised, contact the person to arrange a time to visit the flat.
- It's important that you see the house and meet the other tenants before agreeing to move in. It's not recommended to move in without having done a viewing.
- Questions you should ask before agreeing to move in:
 1. How much is the rent per week? Does this include bills (e.g. water, electricity, internet)? If expenses are not included in the weekly rent, how much extra is it per week?
 2. Is the room furnished?
 3. Is there a bond? How much is it?
 4. Who else lives in the house? What are their ages, genders etc.?
 5. How long can I stay for? / Is there a minimum stay?

New Zealand/Aotearoa and the Treaty of Waitangi

To understand the history of New Zealand or "Aotearoa", you need to know about the Treaty of Waitangi.

The Treaty of Waitangi:

- was signed between the Maori inhabitants and the British government in 1840
- agrees that Maori and other New Zealanders should work together as partners
- protects Maori property, customs, and culture
- encourages Maori to find Maori solutions to serious problems

That means, at school we all must:

- respect each other's cultures
- never make racist remarks
- recognise the special place of Maori and the Maori heritage (Maoritanga) in New Zealand / Aotearoa today
- learn in the classroom about the Treaty of Waitangi

And it means that, outside the classroom, we must:

- accept the "two cultures" policy of modern New Zealand life
- tolerate and try to understand different cultures
- respect the law and life-styles of New Zealand / Aotearoa

You must also be careful of New Zealand's natural resources. This is very important. Many plants, animals, fish, and shellfish are strictly protected. You cannot remove them. For example, you cannot take any plants, animals or minerals from a National Park. Also, some fish and shellfish can only be caught in small amounts at

certain times of the year. So be very careful! If you break these laws, you may be heavily fined and you may be deported from New Zealand.

On a more positive note, it means that you will enjoy the benefits of two very different cultures during your stay. From time to time, NZLC will include information about Maori culture into our lessons. We will also offer off-site activities that allow you to explore Maori life and customs at first hand!

COP - The Education (Pastoral Care of International Students) Code of Practice

NZLC has agreed to observe and be bound by the NZQA Code of Practice. Copies of the most recent Code are available on request from this institution or from the NZQA website at www.nzqa.govt.nz/providers-partners/education-code-of-practice

NZLC Fee Protection

NZLC operates the following arrangement to protect student fees: all student fees are transferred directly to an independent Trust Account (as specified on the student's invoice). Fees are released to the school by the Trustee on a draw down basis as the student's course is provided by the school.
