### Other modes of transport from Auckland airport (Prices subject to change)

*Young Learner students must not take taxis, shuttles or any type of public transport by themselves.*

**Sky Drive:** SkyDrive offers a reliable and affordable express and direct shuttle service between both the Domestic and international Terminals at Auckland Airport and SkyCity in Central Auckland. Approximately \$17 one way. <https://www.skydrive.co.nz/>

**Shuttle:** You can book an airport shuttle before arrival via this website: [www.supershuttle.co.nz](http://www.supershuttle.co.nz). Alternatively you can turn up at the terminal rank on arrival to find a shuttle. From Auckland airport to the city centre, it will cost approximately \$50.

**Uber:** You can download the Uber App on your phone and enter the address you want to be dropped off at. This option is approximately \$60 - \$80 from the airport to NZLC. Pick-up is usually outside Door 11 in the above map.

**Taxi:** There are many taxis waiting outside the airport. A trip from the airport to the city could range between \$80 and \$100 (traffic dependent), but you should also confirm the approximate price with the driver before getting in the taxi.

## COPING WITH A NEW LANGUAGE

Many new students find their first week a bit difficult. Be patient! It takes time and practice! By the end of the week, you will start to feel “at home” in your class.

When you talk with your host family, teachers and friends, ask them to speak clearly, slow down or repeat themselves. They will be happy to support you. If you become tired and frustrated when you do not learn as quickly as you would like, relax, and slow down.

### Useful Expressions

- “I’m sorry, I don’t understand. Can you say that again, please?”
- “What does -- mean?”
- “Can you help me please?”
- “I would like some help with homework / English”

## WHAT TO BRING

### Clothing

- Light, comfortable clothing such as T-shirts, shorts and sandals for the warmer months (December – March)
- Wind-proof jacket, jumpers, jeans, jacket, gloves and strong shoes or boots for the colder months (May – August)
- Umbrella
- Warm jacket and raincoat (year round)

The weather in New Zealand is very changeable. You can experience 4 seasons in one day so it is a good idea to bring a warm jacket even in summer – just in case!

All types of clothing can be purchased in New Zealand at varying prices.

### Electrical Appliances

Electrical appliances operate on 240 volts and you can buy an adapter on arrival.

Remember to bring your camera so you can take pictures of your experiences in New Zealand.

**Before you leave, check that your phone is unlocked** so you can use it overseas.

New Zealand socket

### Food

Most Asian products and most European food products are available in NZ and you do not need to bring these with you. New Zealand has **VERY** strict quarantine laws:

**DO NOT** bring any plant or animal material (eggs, mushrooms, fruit, Chinese herbs, pork, noodles, spices etc.), or you may risk an instant fine of \$400 and possible fine up to \$100,000 or a prison term. Please see the New Zealand Customs website for more details: [www.customs.govt.nz](http://www.customs.govt.nz)

However, if you must bring any of these, please remember that the following items must be declared on your New Zealand Passenger Arrival Card:

- Food of any kind.
- Plants or parts of plants (alive or dead) / Biological specimens.
- Animals (alive or dead) or their products.
- Equipment used with animals.
- Equipment such as camping gear, golf clubs, and used bicycles.

### Visas

It’s very important that you know which type of visa you need to apply for **before** visiting NZ. There are different visa options depending on your nationality, length of stay in NZ, and whether or not you want to work in NZ. You need to hold the right visa OR an NZeTA.

What is NZeTA (New Zealand Electronic Travel Authority)?

Valid for 2 years. If you are from a visa waiver country and if you do not have a valid visa, you must hold an NZeTA before you travel to New Zealand. You can request an NZeTA online <https://nzeta.immigration.govt.nz> (\$23) or using the free NZeTA App (\$17). You pay an International Visitor Conservation and Tourism Levy (IVL) (\$35) at the same time as your NZeTA. For more information on visas, see the Immigration New Zealand website: [www.immigration.govt.nz](http://www.immigration.govt.nz)

**Medical and Travel Insurance**

International students must have appropriate and current medical and travel insurance for the duration of their enrolment at NZLC and for travel to and from New Zealand, regardless of the type of visa they hold. NZLC can only accept insurance policies which meet the guidelines set out in the NZQA Code of Practice for International Students, as stated below:

- Covers travel to and from New Zealand and travel within New Zealand; and
- Medical care in New Zealand including diagnosis, prescription, surgery, and hospitalization; and
- Repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting repatriation or expatriation; and
- Death of the student, including cover of: 1. Travel costs of family members to and from New Zealand; and 2. Costs of repatriation or expatriation of the body; and 3. Funeral expenses.
- You will be liable for expenses relating to a pre-existing condition that are not covered by your insurance.
- If you provide your own insurance, the insurance certificate and policy must be submitted to NZLC in English.

NZLC strongly recommends arranging policy through NZLC. If the student’s own insurance policy does not meet the conditions below, the student will be required to upgrade their policy or order one through NZLC, which can be requested at any time during the enrolment process or on arrival.

**YOUR FIRST DAY AT NZLC**

## NZLC FEE PROTECTION

NZLC operates the following arrangement to protect student fees: all student fees are transferred directly to an independent Trust Account (as specified on the student's invoice). Fees are released to the school by the Trustee on a draw down basis as the student's course is provided by the school.

## SCHOOL RULES

At NZLC we want you, your classmates and your teachers to have an enjoyable and productive learning experience. This is why we have a few simple rules for you to follow in the classroom and around the school:

## ATTENDANCE POLICY

All students are expected to attend 100% of their course. Attendance is marked per session and collated at the end of each week.

### Young Learners

Any missed classes will be followed up immediately and the NZLC Disciplinary Process will be initiated where appropriate.

### Adult Students (18+ years)

1. Please send email to [studentservices@nzlc.ac.nz](mailto:studentservices@nzlc.ac.nz) with your name, student ID number and reason before your class starts if you are going to be absent from class. Morning class: before 8.30am / Afternoon class: before 1:45pm / Evening class: before 5:30pm.
2. If your current attendance falls below 90%, you will receive a **Category 1 Attendance Letter** to your email. You will be asked to acknowledge your responsibility to improve your current attendance rate. *Current attendance* is the attendance rate from the start of the course up until the end of the current week.
3. If your current attendance falls below 85%, you will receive a **Category 2 Attendance Letter** to your email. You will be asked to explain your absences or provide medical certificates.
4. If your current attendance falls below 80%, you will receive a **Category 3 Attendance Letter** to your email. You will be asked for a meeting with NZLC team. Your attendance will continue to be monitored until we are satisfied there is improvement.
5. If there is still no improvement, you will be sent a **final warning letter** explaining what will happen if your overall attendance drops below 80%. *Overall attendance* is the final rate of attendance that will be reached if you have no further absences from the previous Friday until the end of your course. If you have an education consultant, they will be notified about the final warning.
6. Students must meet the English New Zealand minimum attendance requirement of 80%. If a student's overall attendance falls below 80%, a **termination of enrolment** may result. If you wish to dispute the termination, you may be required to have a meeting with management to explain why your enrolment should not be terminated. NZLC management will then consider your explanation before coming to a final decision.
7. Where the English New Zealand minimum attendance of 80% has not been achieved, both the attendance % and the non-compliance statement will be clearly shown on your leaving certificate.
8. If your enrolment is terminated, you will be asked to finish your course immediately without entitlement to a refund. NZLC is obliged to report all student visa holders to Immigration New Zealand about the course withdrawal and your visa may be cancelled. Similarly, NZLC will notify your education consultant of the decision.
9. You can check your attendance while studying at NZLC. Please see NZLC Student Service staff.
10. If you require an official NZLC Attendance Certificate, please see NZLC Student Services staff.

If there is some reason why you cannot follow the above outlined school rules and attendance rules, please talk to the Student Services team. It is important to note that NZLC staff will do their best to support you and avoid the below

steps in the Disciplinary and Termination Process from escalating where possible. However, in very extreme cases, the below procedure may be escalated more quickly.

## CONDUCT & BEHAVIOUR

All students must comply with **New Zealand law and regulations as well as NZLC rules and regulations**. NZLC reserves the right to terminate the student's enrolment if student's conduct and behaviour is deemed unsatisfactory.

## DISCIPLINARY & TERMINATION PROCESS

If students fail to meet the obligations under this agreement, NZLC will either give a verbal warning or a warning letter explaining what is wrong, what needs to be done and when it must be done by. If students do not comply with the warning, this agreement may be terminated immediately. NZLC reserves the right to terminate this agreement at their sole discretion if a student's conduct, behaviour or attendance is deemed unsatisfactory. If the student's enrolment is terminated, they will be asked to leave immediately, without entitlement to a refund or deferral. In addition, NZLC will report the termination to Immigration New Zealand where applicable. NZLC will also notify the student's education consultant/parent of the decision.

## CHANGES, CANCELLATIONS AND WITHDRAWALS

For information about cancellations and changes to courses and/or services, please refer to the NZLC Terms and Conditions on the back of the NZLC Enrolment, Fees & Courses Form or on our website: [www.nzlc.ac.nz/enrolment-process/terms-and-conditions](http://www.nzlc.ac.nz/enrolment-process/terms-and-conditions)

<https://nzlc.ac.nz/downloads>

Adult Students (18+ years): You can take 2 weeks of holiday per every 12 weeks of full-time study. Refer to the Fees and Courses Form for details on material fees corresponding to your course:  
<https://nzlc.ac.nz/downloads/>

## GRADUATION CERTIFICATE

All students get a certificate of achievement and a written report from their teacher on their last day of study. Students must meet the English New Zealand minimum attendance requirement of 80%. Where this has not been achieved, both the % attendance and the non-compliance statement will be clearly shown on the leaving certificate.

## HEALTH AND SAFETY PROCEDURES AT NZLC

Due to New Zealand's location and environment, earthquakes and other natural disasters are possible. This website has some good tips on how to prepare and react during the unfortunate event of a natural disaster: [www.getthru.govt.nz](http://www.getthru.govt.nz)

The school always tries to guarantee your safety while in the school. Here are some practical guidelines:

**If you feel unwell:** Speak to reception or one of the Student Services staff. We have a First Aid kit that can be used for small medical incidences. For more serious injuries or illnesses, we can contact a doctor for you.

**If you feel harassed:** In New Zealand it is illegal to harass other people. If anyone harasses you, please speak to Student Services or contact any member of NZLC staff immediately.

**If there is a fire / natural disaster:** There is a staff member assigned to each floor who will direct evacuation in the unlikely event of a fire, earthquake, or other natural disaster.

To ensure quick evacuations, the school holds "practice" evacuations. During these evacuations, please follow the staff member's instructions quickly and calmly.

In your classroom, you can find a copy of the school map with the fire exits mapped out. When you hear the alarm siren, make your way to the nearest emergency exit.

1. Do not use the elevators in an evacuation. Use the internal stairwell.
2. Do not bring your belongings with you.
3. Do not stand in front of the entrance- move onto the footpaths in front of the buildings.
4. Do not carry drinks and large items with you down the stairs.

### **School Hazards:**

If you notice any kind of hazard around the school, (e.g. a broken window, loose door etc.), please let your teacher or another staff member know immediately.

## NZLC STUDENT SERVICES

### **Friendly Staff**

Our multi-lingual Student Services Staff are always willing to help you with any questions regarding your course, accommodation, visa, further studies, travel in New Zealand or personal matters. During your first day, you will be introduced to the departments and relevant staff members.

### **Job Assistance Workshops & CV Checks**

We can help you with CV writing and job interview techniques to help you find a job in New Zealand. We run Job Preparation Workshops every week at both NZLC Auckland. To work in NZ, you need a visa with a work permit. You cannot work on a Visitor Visa. For more information about working in NZ and visas for work, please see the Immigration NZ website: [www.newzealandnow.govt.nz/work-in-nz](http://www.newzealandnow.govt.nz/work-in-nz)

Activities are available after-school on Wednesdays and Fridays at 2 pm including opportunities to practice speaking English, sports, volunteering and sightseeing activities. From time to time we run larger events or parties, and there are also weekend trips available so you can explore New Zealand. Information about after-school activities and weekend trips is posted on the school notice boards and our website ([www.nzlc.ac.nz/elective](http://www.nzlc.ac.nz/elective)). If you have any questions or need help organising a trip around New Zealand, please ask the Student Services team. ## Feeling unwell / visiting doctors

If you are feeling unwell during your studies, visit the Student Services team who can help you book an appointment at the doctor. This website can also help you to find a doctors' clinic close to where you will live: [www.healthpoint.co.nz](http://www.healthpoint.co.nz)

## Mental Wellbeing and Student Support

Sometimes students may feel homesick, stressed or sad when they are away from home. If you are feeling unwell in anyway, talk to Student Services and we will help you find the support you need.

## Visas

If you're planning to extend your visa after you arrive in NZ, you can talk to Student Services for general information. During orientation on your first day, you will also be given a Student Handbook which has contact details for the above services and further information.

## Public transport

Auckland's public transport is made easy with the AT HOP card, a smart card that grants access to buses, trains, and ferries, offering not only convenience but also discounted fares for cost-effective travel. Make the most of your journey by utilizing the AT Mobile App for real-time timetables and efficient journey planning. It's a handy tool to ensure you're always on schedule. Please remember to observe local customs and etiquette.

Students who are enrolled for 16 weeks or more may be eligible for transportation fare discounts – please check with NZLC Student Services.

# HOMESTAY

## Homestay Changes

NZLC can guarantee homestay for the paid period. If you wish to stay longer in the same homestay, you must inform NZLC Accommodation staff at least 2 weeks in advance. The extension is subject to availability.

Homestay dates/duration change request fee\* of \$100 applies.

If you are away from your homestay for 14 nights or more on an approved holiday, a retaining rate applies for the period. For full details on homestay rules, please refer to the *NZLC Homestay Handbook for Students* which can be found on our website: <https://nzlc.ac.nz/accommodation/homestay/>

## Travel time and transportation

NZLC Auckland host families are located 45 – 75mins away from school by public transport (Bus, train, or both). Talk to your host family or Student Services about getting a public transport card (AT Hop) for possible discounted rates.

## LIVING IN NEW ZEALAND: GENERAL INFORMATION

### Cost of Living in NZ

It's important that you understand the cost of living here in NZ so you can form realistic expectations before you arrive. As of 1 April 2024, the minimum wage is \$23.15/hour. A guideline for a living cost indication can be found on our website [Cost of Living](#) and on the Study in New Zealand website: [www.studyinnewzealand.govt.nz/live-work/cost-of-living](http://www.studyinnewzealand.govt.nz/live-work/cost-of-living)

### Budgeting

This website is very useful if you want to plan a budget before you come to NZ:

**Sorted.org.nz:** [www.sorted.org.nz/life-events/studying](http://www.sorted.org.nz/life-events/studying)

### Banking

If you're staying in New Zealand for 6 months or more, you can open a bank account. Most savings accounts come with a plastic "cash card" which you can use to access automatic teller machines (ATMs) 24 hours a day to withdraw and deposit money. All the major banks are located close to NZLC: ANZ, ASB and BNZ. To open a bank account you will need your passport, proof of address in NZ (NZLC can help you with this) and your Taxpayer Identification Number (TIN) from your country. A TIN can have a different name in other countries, e.g. social security number, national ID number.

### Posting Mail

Posting mail in NZ is an easy process. You will be shown where the post office is on your first day during orientation. Talk to student services for more information.

### Phone Calls and Sim Cards

Public telephones around the city can be used with pre-paid phone cards or credit cards. They can also be used for emergency and free phone call numbers such as those starting with 0800 or 0508. If you want to make overseas calls, you can buy overseas discount cards from magazine shops, supermarkets or petrol stations.

You can purchase a sim card from 2 Degrees, Spark or One NZ. Travel sim cards from these companies are available at the airport. It's a good idea to purchase a sim card on arrival so that you can have internet access right away. Prices range from \$30 to \$99 for 1 – 2 months depending on how much data you need.

### Safety

New Zealand is one of the safest countries in the world but it is still important to be careful:

- Do not carry large sums of cash
- Do not leave your bag or any personal items unattended
- If you lose your wallet or any of your property, contact the police and fill out a report
- If you have to walk late at night, it is good to walk with a friend. Ask a staff member or homestay family about areas of town which are not so good to walk through at night
- Be aware of scams, ignore suspicious messages, emails and phone calls.
  - Do not click in any link sent by text messages or emails, even if they seem to be from your bank.

### Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly-funded health services are available through the Ministry of Health, and can be viewed on their website at [www.moh.govt.nz](http://www.moh.govt.nz)

### Accident Insurance (ACC)

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand. If you go to the doctor for an accident-related injury, you must let the doctor or reception know and this way, it may cost less. Please note that coverage is not guaranteed and if you have an accident, you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz).

### Relationships and Family Planning

Many students start relationships in New Zealand. If you need advice about family planning or want to avoid pregnancy, contact the Family Planning Association. They are very helpful and have contacts with overseas communities who can help with translation if you need it. [www.familyplanning.org.nz](http://www.familyplanning.org.nz)

### International Student Identity Card (ISIC)

If you're studying for more than 3 months and are a full-time student, you can apply for an ISIC card. This will give you student discounts on travel and many other services worldwide. Ask at reception for more information.

### Driving

Driving in New Zealand might be very different from driving in your country. If you're going to get a driving license in New Zealand, please ask the staff for advice and books to help you. You can also have a look at the useful websites below. You must not drive without a valid driver's license.

### Hitchhiking

Hitchhiking can be dangerous and NZLC does not recommend it.

### Drinking

You must be 18 years old to buy alcohol in New Zealand. You must also be able to prove your age with acceptable photo I.D. This means your passport, New Zealand Driver's License, or a Kiwi Access Card (formerly the "18+ card"). Applications for the Kiwi Access card are available at NZLC reception. Photocopied documents and international driver licenses are not accepted at restaurants or bars.

### Smoking

In New Zealand smoking in most public places is prohibited (including the school building). Smoking in all restaurants and bars is prohibited.
