Visit our backyard rain forest, the beautiful forest-covered Waitakere Ranges to the west of Auckland city, and two of our favourite beaches beyond. Film lovers will remember that Karekare Beach was the set of the award-winning, Jane Campion produced movie 'The Piano'. You will have time to explore this wild and scenic area and, weather permitting, take a swim, before enjoying lunch at our second beach: Piha. Piha, is a very popular surfing and swimming spot, but if swimming is not your sport then it is a great place for long beach walks, maybe a climb up Lion Rock or just sunbathing on the black sand.

Important notice: The beaches on the west coast can be very dangerous. Swimmers have died here. The strong currents change often. Please take great care.
